One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didnâ€™t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship— and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyerâ€™s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. --randomhousebooks.com ...more Just Mercy: A Story of Justice and Redemption PDF ebook
