A Real Southern Cook: In Her Savannah Kitchen "Dora Charles is the real deal, and hers may be the most honest - and personal - southern cookbook I've ever read." - John Martin Taylor In her first cookbook, a revered former cook at Savannah's most renowned restaurant divulges her locally famous Savannah recipes—many of them never written down before—and those of her family and friends. Hundreds of thousands of people have made a trip to dine on the exceptional food cooked by Dora Charles at Savannah's most famous restaurant. All the cornerstones of the Southern table are here, from Out-of-This-World Smothered Catfish to desserts like a jaw-dropping Very Red Velvet Cake. With moving dignity, Dora describes her motherless upbringing in Savannah, the hard life of her family, whose memories stretched back to slave times, learning to cook at age six, and the years she worked at the restaurant. Talking About boxes impart Dora's cooking wisdom, and evocative photos of Savannah and the Low Country set the scene. ...more
