

The Sacred Enneagram: Finding Your Unique Path to Spiritual Growth For all the ways we live unawakened lives, the enneagram is here to help. The Sacred Enneagram is a trustworthy, richly insightful guide to finding yourself in the enneagram's 9-type profiles, and applying this practical wisdom for a life transformed. Far more than a personality test, author Chris Heuertz writes, the enneagram is a sacred map to the soul. Lies about who we think we are keep us trapped in loops of self-defeat. But the enneagram offers a bright path to cutting through the internal clutter and finding our way back to God and to our true identity as God created us. Chris Heuertz's life was forever changed after he learned about the enneagram 15 years ago. Today, he leads enneagram workshops all over the world. Join Chris as he shows you how this ancient tool can help you awaken to the gifts God has given you, find freedom from your personal patterns of sin and fear, and grow in acceptance of your identity as you grow with God. In conversational style with compelling stories, The Sacred Enneagram will show you how to understand the 'why' behind your type, beyond caricatures and stereotypes How to align your type with prayer postures How to identify and find freedom from self-destructive patterns How to grow in spiritual discernment How to face your past wounds and step toward healing How to awaken your unique gifts to serve today's broken world Chris's own journey with the enneagram is an accessible introduction and exploration of how the enneagram can change your life, because to the extent that we are transformed, the world will be transformed. ...more The Sacred Enneagram: Finding Your Unique Path to Spiritual Growth PDF ebook
