

**Earthbound (Dragons & Druids, #2)** After finding out about her unique heritage, Sloane is taken under the wing of an Earth druid. She's told she must learn to control both of her warring powers or they will consume her. She needs a special staff, made just for her, to help channel her unique magic. The problem? It's only made by one After finding out about her unique heritage, Sloane is taken under the wing of an Earth druid. She's told she must learn to control both of her warring powers or they will consume her. She needs a special staff, made just for her, to help channel her unique magic. The problem? It's only made by one very reclusive elf. She and her team set off to hunt down this elf in hopes of controlling the dangerous power within her. But what she doesn't know is that she too is being hunted. Leia Stone hit the mark with this sexy, action-packed series. -Amazon Reviewer Dragons.
