

Shadows of the Stone Benders (Anlon Cully Chronicles, #1) For fans of Dan Brown's Robert Langdon novels, a riveting, action-packed thriller. World-renowned scientist Anlon Cully is unexpectedly swept into the thick of a suspense-riddled adventure when his archaeologist uncle, Devlin Wilson, dies under suspicious circumstances. Prior to his "accidental" fall off a New Hampshire mountain trail, Devlin made the discovery of a lifetime "unearthing undeniable proof that a technologically advanced society thrived on Earth long before archaeologists thought possible! The key to this shocking evidence lies in a set of mysterious stones forged by a long forgotten race of ancient mariners. Instilled with formidable powers to build, communicate, fight and heal, the stones draw the ruthless attention of villainous thieves hell bent on their acquisition by any means possible" including murder. Aided by friend Pebbles McCarver and police detective Jennifer Stevens, Anlon follows traces of bewildering clues left by his uncle in a dangerous chase to unravel the stones' secrets before the killer strikes again and escapes with the priceless artifacts. Peppared with the thought provoking intrigue of a Douglas Preston and Lincoln Child thriller, Shadows of the Stone Benders leaves readers questioning the technological prowess of modern man and the belief that Neolithic humans were nothing more than unsophisticated cave dwellers. ...more [Shadows of the Stone Benders \(Anlon Cully Chronicles, #1\) PDF ebook](#)
