Two hundred years ago, the great Ark Horizon Alpha escaped a doomed Earth and went searching for a new home. The passengers landed on Teu Ceti e expecting paradise, but instead they discovered a planet stuck in its own version of the cretaceous period. The humansâ€™ one defense against the dinosaurs ravaging the planet is an electric fence, built from the remains of the shuttles that brought them there. But Eden base has only days of power left. With most of the adult men dead, rookie soldier Caleb Wilde and his unit of teenage boys leave the electric fences of Eden in search of a reactor core lost deep in the jungle. The last remnant of the human race waits behind the electric fence for their return. The dinosaurs wait, too--for the electricity to die and the feast to begin. ...more **Predators of Eden (Horizon Alpha, #1) PDF ebook**
